- *The Program Costs shown represent the approximate cost of tuition, books and other fees for students completing within the normal period of time. Your actual program costs may vary due to differences in program structure, such as pacing or additional concentrations, and other factors, such as the number of applicable transfer credits. Room & Board information represents the cost of optional institutional housing where offered. All tuition and fees are subject to change. For Gainful Employment disclosure purposes, the U.S. Department of Education categorizes educational programs by a Classification of Instructional Program Code (CIP code) and degree level (Associates, Bachelors, etc.). For that reason, all educational programs with the same CIP Code and degree level are considered when approximating program costs.*

- *Title IV and Private Debt information above represents the median loan debt incurred by students who completed the program between 07/01/2010 and 6/30/2011. It includes debt from federal Title IV loans, private educational loans and institutional payment plans. Institutional debt is the amount owed by students directly to the institution within 30 days after graduation. The calculation of median loan debt includes debt incurred by students who pursued multiple programs with our institution, and is not limited to the specific program above. Accordingly, the debt amount shown above may exceed the specific program's tuition and fees. Due to Privacy concerns, the US Department of Education requires that median debt information is not disclosed when less than 10 students completed a program within the given award year (shown as N/A).*
